

**KEEP YOUR WORKFORCE HEALTHY, SAFE, AND PRODUCTIVE**

# Occupational Health & Nursing

OnPoint occupational health professionals provide on-site medical support, regulatory compliance programs, and case management services that keep your workforce healthy and operations running smoothly. Our licensed nurses, medical technicians, and health specialists understand industrial environments and become an extension of your team, delivering immediate care and preventing costly off-site visits.

## Key Benefits

**Save 3-4 Hours Per Injury**

Treat injuries on-site in minutes instead of losing hours to off-site urgent care visits. Most workplace injuries resolved without leaving your facility.

**60-70% Reduction in Off-Site Medical Visits**

On-site treatment keeps workers productive and prevents productivity losses from travel time and waiting rooms.

**15-25% Lower Workers' Compensation Costs**

Early intervention, aggressive case management, and modified duty programs reduce claim severity and costs.

**25-30% Faster Return-to-Work**

Immediate assessment, medical provider coordination, and modified duty get workers back to productive work faster.

**Complete OSHA Compliance**

Medical surveillance, hearing conservation, respiratory protection, and health monitoring programs managed without administrative burden.
